Book of Ordinances; Chapter 27, Subsection 2208.5 A-C

"5. Temporary Signs of Mechanics, Contractors or Artisans provided:

- A. *Such signs shall be erected **only on the premises** where such work is being performed.*
- B. ***Not more than one** such sign for each mechanic, contractor or artisan working shall be erected on any premises unless such property fronts on more than one street in which case not more than one such sign for each mechanic or artisan shall be erected on each frontage.*
- C. *Such signs shall be removed **promptly upon completion of work.**"*

Temporary contractor signs have become a problem in Lower Southampton Township. Our contractors have been abusing the sign ordinance by leaving signs on properties long after the work has been completed. Be advised that Lower Southampton Township will no longer tolerate this behavior and will respond by citing contractors of this signage violation.

Thank you in advance for your cooperation,
Lower Southampton Township
