--------------------------------	-------

Please be advised that the following requirements must be satisfied in order to conduct a no-impact home based business in Lower Southampton Township.

The business activity shall be compatible with the residential use of property and surrounding residential uses.

The business shall employ no employees other than family members residing in the dwelling.

- In addition, no clients are permitted at your home.

There shall be no display or sale of retail goods and no stockpiling of inventory of a substantial nature.

There shall be no outside appearance of a business use, including, but not limited to, parking, signs or lights.

The business activity may not use any equipment or process which creates noise, vibration, glare, fumes, odors, electrical or electronic interference, including interference with radio or television reception, which is detectable in the neighborhood.

The business activity may not generate any solid waste or sewage discharge in volume or type, which is not normally associated with residential use in the neighborhood.

The business activity shall be conducted only within the dwelling and may not occupy more than 25% of the habitable floor area.

The business may not involve any illegal activity.
